Eng. Khaled Atya Abdallah
Project Manager of El-Dabaa NPP Project
Nuclear Power Plants Authority
Arab Republic of Egypt

On the Site Access for Contractor's Vehicle (Chevrolet ,2500, 1998, Green)

Dear Eng. Khaled Atya Abdallah,

We refer to the Contract for engineering, procurement and construction of El-Dabaa Nuclear Power Plant, Arab Republic of Egypt (the "EPC Contract") dated December 31, 2016 (as amended from time to time) between Nuclear Power Plants Authority (the "Owner") and ASE JSC (the "Contractor"). Unless otherwise specified herein, the capitalized words shall have the same meaning as defined in the EPC Contract.

The Contractor hereby sends a list of the Contractor's vehicle to proceed a security clearance procedure and grant access to the secured facilities of El-Dabaa NPP site.

Please note that the information contained in this letter is confidential and cannot be transferred to third parties, except as agreed with ASE JSC Branch in ARE.

Sincerely yours,

Alexey Kononenko,
Vice President of ASE JSC – Project Manager of El-Dabaa NPP Project
